Drawing materials and handouts provided. Nature specimens too!

Tuesday, May 12, 7-8PM Introduction, Nature Specimens if time allows

Tuesday, May 19, 7-8PM Value Scales and Nature Specimens

Tuesday, May 26, 7-8PM Color and Nature Specimens

From cave painters to Roger Tory Peterson, humans have chronicled the world around them. Explore techniques such as blind-contour, negative space, chiaroscuro, gesture drawing, and drawing from memory. Increase the accuracy of your observations and improve drawing skills while you record your impressions. Explore techniques such as blind-contour, negative space, chiaroscuro, gesture drawing, and drawing from memory.
